

GOLU JAT

Data Analyst

Bhopal, MP, India

7692974087 | golujat97531@gmail.com

PROFESSIONAL SUMMARY

Results-driven **Data Analyst with 3+ years of experience** in data analysis, visualization, and enterprise portal support. Skilled in **Power BI, SQL, Python, Excel, and DAX** with experience building KPI dashboards and improving reporting accuracy. Experienced in managing and supporting operational portals including **Quality Control Portal and MPEZ GIS Portal**.

PROFESSIONAL EXPERIENCE

MDP Infra (India) Pvt. Ltd. – Data Analyst (Feb 2023 – Present)

- Designed and deployed scalable **Power BI dashboards** for MPMKVCL BHOPAL, enabling data-driven decisions across regional and divisional levels.
- Integrated **GIS and spatial data** (geo-coordinates, shape files) into dashboards, enabling map-based project tracking and location-driven insights.
- Analysed billing and operational data to identify discrepancies, improving reporting accuracy by ~20%.
- Coordinated with **field engineers, Quality Control teams, and technical departments** to resolve portal issues and maintain accurate project and infrastructure data.
- Monitored and updated **GIS and project-related records** in the system to ensure proper tracking of electrical infrastructure and project approvals.
- Assisted users by **diagnosing portal errors, resolving system issues, and providing guidance**, reducing downtime and improving operational efficiency.
